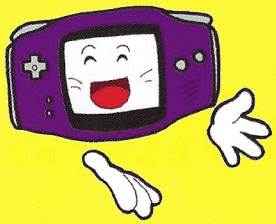
STAY IN THE GAME...

WWW.NINTENDO.COM

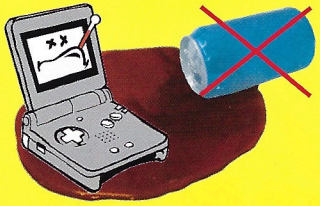
...EASY-TO-REMEMBER TIPS FROM THE PROS TO MAKE SURE YOUR VALUED NINTENDO® PRODUCTS ARE ALWAYS IN TIP-TOP CONDITION:



Use only Nintendo accessories identified with the "Official Nintendo Seal" on the package. Otherwise, you may void your warranty.

GAME BOY ADVANCE SP

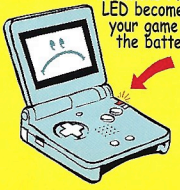
DO NOT allow dirt, water, and any other contaminants to enter the DC/Headphone connector and the Multiplayer link connector.



Keep food and liquids away from your Nintendo products.

- It takes approximately three hours to fully recharge the battery.
- You can play games while recharging the battery, but the recharge time is longer when you do so.

When the Power Indicator LED becomes red, save your game and recharge the battery to prevent game loss.

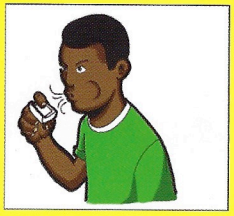


ALL GAME BOY SYSTEMS

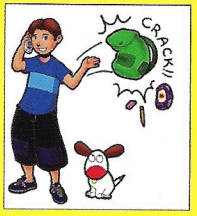
- **TO PREVENT DIRT OR DUST FROM GETTING INTO YOUR GAME BOY® SYSTEM, ALWAYS LEAVE A GAME PAK LOADED (WITH THE POWER OFF) WHEN NOT IN USE.**

DO NOT sit on your Game Boy, the screen can break.

DO NOT blow on or touch the Game Pak edge connector or allow it to get wet or dirty

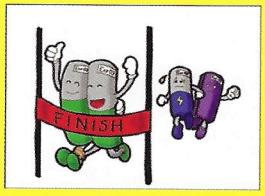


"I don't know how it happens, but my Game Boy systems keep getting crunched!"

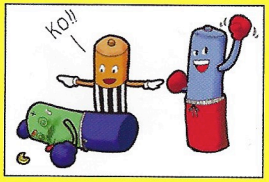


OLDER GAME BOY SYSTEMS WITH REPLACEABLE BATTERIES

DO NOT mix old batteries with new ones.
DO NOT mix alkaline batteries with other types.



THROW OUT old and used batteries!



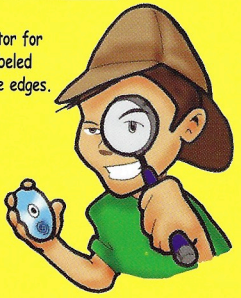
WWW.NINTENDO.COM

NINTENDO GAMECUBE SYSTEMS

Always check the Game Disc surface or Game Pak edge connector for foreign material before use. DO NOT TOUCH the bottom unlabeled surface of the Game Disc. Always handle the Game Disc by the edges.

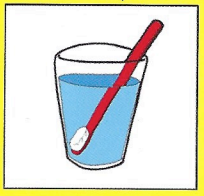
NO

YES



- **CLEAN ALL GAME DISCS YOU RENT OR BORROW BEFORE USING THEM.** To clean your game disc, use water on a clean soft cloth. Wipe from the center of disc towards outside edge. Damage may occur if you wipe in a circular motion along the tracks.
- **DO NOT TOUCH THE LENS INSIDE THE NINTENDO GAMECUBE™ DISC COVER.**
- **CLOSE THE COVER ON YOUR NINTENDO GAMECUBE WHEN NOT IN USE.**
- **REGULARLY CLEAN YOUR NINTENDO PRODUCTS, INCLUDING CONTROLLERS, AND ALL GAME PAKS YOU OWN. REFER TO THE PRECAUTIONS BOOKLET CARE INSTRUCTIONS OR WWW.NINTENDO.COM.**

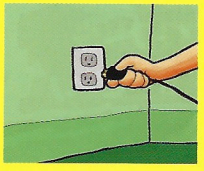
Sticky Controller buttons? Clean with a damp toothbrush.



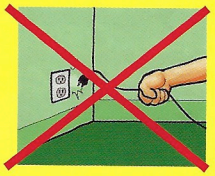
Be sure the toothbrush isn't sopping wet, then scrub between the buttons.

Let your clean Controller dry for a few hours before using.

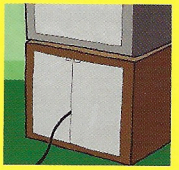
Turn the Nintendo system power off first, when disconnecting any plugs. Then carefully pull by the plug itself rather than by the cord.



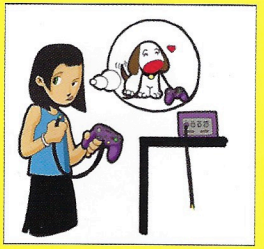
DO NOT step on, sharply pull or bend any wires or cables.



Make sure cords aren't closed in the doors of your entertainment center-over time they'll weaken.



DO NOT allow your pet to play with or chew the cord.



"I don't know which I should get fixed first, the Nintendo GameCube or the dog?"

DO NOT leave your Nintendo product

- on the floor
- in any location where it may collect dirt, dust, lint, etc.
- in a cold or humid place

DO NOT disassemble, hit or try to repair your Nintendo components. Doing so voids your warranty.

Read your system Precautions Booklet for important safety information.

⚠ WARNING - Seizures

- Some people (about 1 in 4000) may have seizures or blackouts triggered by light flashes, such as while watching TV or playing video games, even if they have never had a seizure before.
- Anyone who has had a seizure, loss of awareness, or other symptom linked to an epileptic condition should consult a doctor before playing a video game.
- Parents should watch when their children play video games. Stop playing and consult a doctor if you or your child have any of the following symptoms:

Convulsions	**Eye or muscle twitching**
Loss of awareness	**Altered vision**
Involuntary movements	**Disorientation**

- To reduce the likelihood of a seizure when playing video games:
  1. Sit or stand as far from the screen as possible.
  2. Play video games on the smallest available television screen.
  3. Do not play if you are tired or need sleep.
  4. Play in a well-lit room.
  5. Take a 10 to 15 minute break every hour.

⚠ WARNING - Repetitive Motion Injuries and Eyestrain

Playing video games can make your muscles, joints, skin or eyes hurt after a few hours. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation or eyestrain:

- Avoid excessive play. It is recommended that parents monitor their children for appropriate play.
- Take a 10 to 15 minute break every hour, even if you don't think you need it.
- If your hands, wrists, arms or eyes become tired or sore while playing, stop and rest them for several hours before playing again.
- If you continue to have sore hands, wrists, arms or eyes during or after play, stop playing and see a doctor.
